## A Thought From Mark...

I ran across a quote the other day that made me sit back a minute and think – "How regrettable that we often forget what God remembers and remember what God forgets." I tried to think about some of the things in both of those categories that might apply to us. The first is easier than the second.

Things God remembers that we forget:

- His precious promises to us.
- Things we have prayed and He has answered.
- His holy words.
- How much He loves us every moment of our lives.
- Our promises and pledges and vows.

All of these, and many more, are so easy for us to forget. But God always remembers them all!

Things God forgets that we remember:

- Our sins that He has forgiven.

I am not sure there is anything else in this category - but how important is this one!! We ought to have memorized and never forgotten Jeremiah 31:34! In that passage God promises a coming new covenant that we now enjoy in Christ – a covenant not written on stone but on our hearts. And key to that covenant is verse 34, where God says, "And no longer shall each one teach his neighbor and each his brother, saying, 'Know the LORD,' for they shall all know me, from the least of them to the greatest, declares the LORD. For I will forgive their iniquity, and I will remember their sin no more."

In our struggle to achieve godliness, we ought to strive to remember what God remembers and forget what God forgets.

- Mark Mason

#### "2M + 2N"

Did you know that Chick-Fil-A uses more chickens than KFC? That's right. The largest user of chickens by far is Chick-Fil-A. The amazing thing about the above is that they only have one third as many restaurants as does KFC! How can this be possible?

The answer is rather simple, "2M + 2N"! That formula stands for "Second Mile + Second Nature!" The owner's of Chick-Fil-A has this as one of their "key" mottos! It means simply if their employees will go the "second mile" often enough, it will become "second nature." Therein lies one of the keys to this chicken paradise's success!

I wonder if Christians in today's world would adopt this same principle would it mean greater success for God's Kingdom? If we all lived "second mile" lifestyles each day, would it ever become "second nature"? And, if it became "second nature", would we be welcoming more and more folk into the body of Christ? If we were to become family to the homeless or an assistant to the helpless, what difference would it make? If we became eyes for the blind...voices for the mute...or, legs for the lame...what would happen?

I predict it would mean VICTORY!

Bill B.

#### "Giving The World Your Very Best"

"It's the hand we clasp with an honest grasp That gives a hearty thrill; It's the good we pour into others' lives That comes back our own to fill.

It's the dregs we drain from another's cup That makes ours seem sweet; And the hours we give to another's needs That makes our life complete.

It's the burdens we help another bear That makes our own seem light. It's the anger seen for another's feet That shows us the path to right.

It's the good we do each passing day. With heart sincere and true; In giving the world your very best Its best will return to you."
