### New Pictorial Directory

Many of you have been longing for a new directory with pictures. John Eckhart is working on a new pictorial directory. Our new software will allow us to insert pictures from any source. We need a digital picture of each family. It can be a picture that you took at the park, at home, or had done professionally. We simply need a JPEG copy (an easy way is sending a picture from you phone). Those of us with cell phone can even take a picture for you. Please submit your pictures to John Eckhart.
