be a friend

*A friend loves at all times,
And a brother is born for adversity.
Proverbs 17:17*

We all need support from time to time, that much is easy to see. But sometimes we have to be support when taking on that role is challenging; these moments are not to be neglected. While we can apply the words of the collector of Proverbs to ourselves in times of accepting help, it can also be a call to action. We should be that friend who loves at all times and a brother or sister who is made to be at the side of our loved ones when trouble comes.

NOTES
