January/February 2017.

...One year old Macheгене Congregation

A i

h

...sharing has become a habit at our Congregation

Sharing food (rice with beans) after the service.

...walking, hoping, to find people to study with

Walking ahead of me are some Church members.

...along the way,

...are crops that have withstood the dry weather.
Most parts of the country are facing drought.

...finally, a door was opened to us for a
Bible study

The owners of this home (2nd and 3rd from right on the left photo) said they never had anyone take the Gospel to their home.

...showing a movie in the villages is
always a hustle

...I have to carry my projector and borrow a
bedsheet from the wife - even though I bought
the bedsheet myself :)

...then, I have to hire a generator or hunt for a car battery

...I have to get several 12 volts car batteries brought just in case one dies.

...and before I know it,

...@ vi

...everyone is anxiously waiting on the movie to be set up

...new found friendships emerge,

..hopefully, I will be able to use this friendship with the 'Israel church' man to study The Truth with him.

...finally,

...it starts getting dark and I put up the 'screen'

...and thanks Michael Moss

...an email from you and others from WEI had one Soul added to The Church here in Meru...thanks.

.

Have a
Wonderful
Sunday
