Dear Church,

Greetings in the name of our Lord Jesus Christ. I hope you are all doing well in The Lord. I also hope you all had a wonderful Christmas and new year holidays.

The Church here in Meru greets you and wishes you all a wonderful 2019 full of God's blessings.

Allow me to share some photos of the Church here at Machegene market.

Thank you very much for all your support and prayers.

...singing before our Jesus movie.

...the projector you helped us buy.

...the screen I use, has it's own stand.

...people wait as I set up the machines.

...eventually we have a crowd.

...everyone in the village is welcome.

...finally, it's dark and I turn on the projector.

...this movie was 'Jesus story in Kimeru' (local language).

...the movie in progress.

...I use movies to share Jesus with everyone.

HAPPY 2019!
